

Who can Business Owners/Directors turn to for help and impartial advice?

Sometimes business owners/directors need someone outside of the business:

- To take a **high level view** of ideas and plans
- To **support** personal or team **development**
- To **provide insight** or resources to enable challenges to be overcome

HEART of business can now help you and your business succeed across a wide range of business challenges

Our **Consultant and Adviser Programme** offers support in three distinct ways that can be tailored to your requirements:

1 Business Development Consultants

Experienced in building businesses, with proven tools and techniques that will make a difference. Whether it is helping to build the plan, define the process, or implement the programme, they are experts who can demonstrate a track record of delivering.

2 Non-executive Directors and Advisers

Credible, experienced, reliable and confidential. Offering impartial advice, sharing knowledge and insights. Helping the **business leaders grow** and **develop** more value in their business.

3 Growth Coaches

Helping to create structure and focus on agreed goals, improving performance and teamwork. Using tried and tested coaching techniques, that are proven to deliver exceptional results.

Probably the best business investment you will make.
